"लसतु संस्कृतं गुरुकुले"

Samskrutham is language of gods.Its the most ancient one and the mother of all languages.samskrutha is the medium of Vedas, Upanishads, Agamas, Puranas, Indian Science & Mathematics, Jyotishyam, Kavyas etc. It is the key to the treasure house of knowledge. In the ancient India samskrutham was used in day to day life. Since 30 years "Samskruta Bharati" is working towards making this gods own language as a language of a common man, once again in morden India, through 10 days "Samskruta Sambhashana Shibiras". The Aim of this camp is to teach communicative samskrutam within 10 days. To make this communicative samskruta camp effective, to creat skillfull teachers, a teachers training camp was held at Art of living, Veda agama samskuta maha patashala. Sri Sri Gurukulam by "Samkruta Bharati".

His Holiness Sri Sri Ravishankar Guruji Fouder of Art of Living , Established Veda agama samskruta maha patashala which trains students in Vedas, Agamas,Samskrutam,Jyothisham,Saiva sidhantham, Yoga, Computer, Thirumurai etc in the best possible manner for six years. Thirty senior students of this patashala were trained to conduct such 10 days Samskruta Sambhashana Shibiram. Students participated enthusiastically and picked up fine teaching skills in these 5 days (24th dec 2009 – 28th Dec 2009) Sri. Nagaraj Bhatt, Sri Prakash Holla, Kumari.Pratima, Kumari.Amrutha.S implimented creative methodologies to train the students, So that they can pick up the nuances of samskruta teachings. Not only age old class room sessions but also प्रशिक्षणवर्गः included Sanskrit songs & various language games. The environment over all reminded of ancient gurukulas.

On the concluding day Sri. Nagaraj Bhatt addressed the gathering on the importance samskruta prachara. Siva Sri. A.S. Sundaramurthy Sivam, Principal, Veda agama samskrutha maha patashala spoke about importance of Sanskrit in teaching Indian shastras. On this same occasion "नक्षत्रदर्शनम्" programme was conducted by Dr. Hari, Bharat Gyan, It was a power point presentation about the astromical science hidden in Indian Astrology, for who's discovery sound Sanskrit knowledge is essential.

This प्रशिक्षणवर्गः ended by taking ooth by students that they take part in "संस्कृतप्रचारः" by conducting samskruta sambhashana shibhiras in there natives.
